SQUARE FZ LLC

COMPANY PROFILE

BLACK SQUARE FZ LLC

www.blacksquarefz.com

Black Square FZ LLC was established with the aim of providing world-class industrial equipment and spare parts directly from the manufacturer to off-shore and near-shore clients. Our spectrum of products includes a comprehensive range of equipment for offshore, onshore, oil and gas, petrochemical, water, and sewer reticulation, mining, structural engineering, shipbuilding and power generation industry sectors. These include bolts and nuts, gaskets, pipes, valves, flanges, fittings, transmitters, major electrical equipment, marine equipment, structural steel, PPE and other industrial requisites.

Black Square FZ LLC possesses vast experience in Global Sourcing and Procurement of products for various field requirements. We also supply a wide range of FPSO, Production & Drilling related equipment and spares, as well as maintenance and shutdown supplies common in the marine and offshore environment.

Partnership is one of the most crucial aspects for a successful business relationship, which is why we strive to get our products directly from manufacturers across the globe. We are strategically located in Dubai, United Arab Emirates and this gives us easy access to manufacturers across the globe and also markets we serve in Africa and the Middle East region.

EXCELLENCE | QUALITY | TRUST

Owing to our timely response within 12-24 hours coupled with an extensive experience in supplying industrial equipment, we have earned a proven track record of satisfied clientele across the globe. Our extensive resources ensure that all the needs of our clients are met in the shortest span of time.

EXPLORING THE POTENTIAL

Black Square FZ LLC provides industrial equipment and spare parts directly from the supplier to you. We operate across the globe with a quick response time through an efficient customer-support centre that strives to get back to your query within 24 hours.

OUR PRODUCTS

We provide a wide range of industrial equipment and spare parts for oil and gas projects operating across the world.

We strive to cater to all the needs of our customers in a professional way, maintaining highest standards of service and quality. With a commitment to offering top-quality equipment at competitive prices combined with an enhanced customer support service, Black Square FZ LLC has carved a niche in the industry over the years.

1. FASTENERS, BOLTS & NUTS

We supply durable bolts and nuts with great industrial strength that are a necessity in different projects. Bolt types we offer include stud, hex, machine, and U bolts among other types. Coatings include hot dip galvanizing, zinc plate and Xylan.

2. GASKETS & SEALANTS

Gaskets are important in any industry oil and gas project. Our wide range of gaskets include envelope gaskets, flat metal, ring-type joint, kammprofile gasket, spiral wound gaskets, corrugated metal gaskets and more.

3. PIPES, VALVES & FITTINGS

We offer top-quality industrial valves that are used in various structural, mechanical, oil and gas projects. These include different variants of butterfly valve, ball valve, gate valves, globe valves, control valves, check valves as well as plug valves.

OUR PRODUCTS

4. TRANSMITTERS

Our industrial oil and gas transmitters provide accurate and durable readings that are vital in any oil and gas project. We provide gauge pressure transmitters, differential pressure transmitters, absolute pressure as well as continuous level measurement transmitters.

5. SAFETY EQUIPMENT

Black Square FZ LLC also caters to personal protective equipment that ensure a safe working environment. From helmets, safety harnesses and gloves to eye and respiratory equipment gear, we have it all under one roof. We supply head to toe as well as necessary products for spill control, rescues, lifesaving and firefighting.

6. MARINE EQUIPMENT

For your off-shore and near-shore projects, Black Square FZ LLC provides sturdy and quality marine equipment and spare parts directly from the manufacturer to the client. Our products portfolio includes structural steel, air compressors, turbo-chargers, engine room products and more.

7. INDUSTRIAL AND HYDRAULIC HOSES

We specialize in the supply of industrial as well as hydraulic hoses that are vital in different industrial manufacturing sectors. From PTFE Hose, Oil and Steam Hose to Water, Rubber or Special Hoses, our collection includes all types of hoses used in the industrial projects.

8. ADHESIVES AND SEALANTS

Black Square FZ LLC deals in the supply of a range of adhesives & sealants that adhere to the surface with their strong binding properties and are effective in keeping moisture out.

OUR PRODUCTS

9. HAND AND POWER WORKSHOP TOOLS

From Drills, Screwdrivers and Jigsaw to Rotary Tools, Hammer, Pliers, Wrench, Sanders, Grinders, Hammer Drills and Tape Measure, we source all kinds of manually operated as well as power tools.

10. GREASE AND LUBRICANTS

Black Square FZ LLC offers an array of high-viscosity liquids such as lubricants and grease that comply with strict quality control standards and are suitable for varied applications and industries.

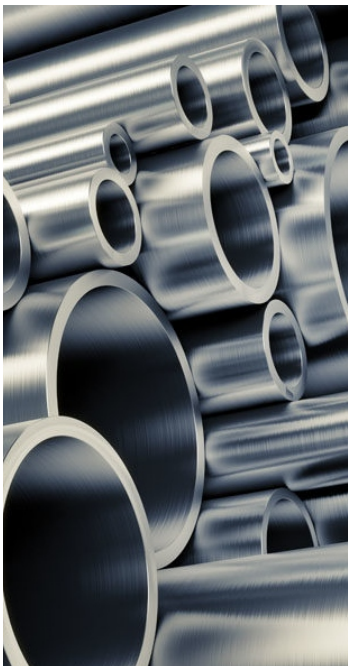

11. ROV TOOLING AND COMPONENTS

We supply a comprehensive range of world-class offshore RV Tooling, spare parts and components that are specially designed to be operator-friendly and durable for the subsea world.

OUR SECTORS

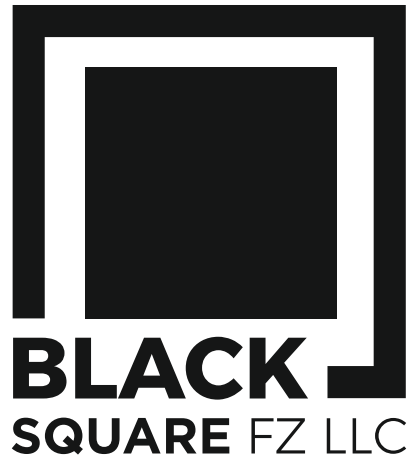

- ✓ Oil and Gas
- ✓ Drilling
- ✓ Power Generation
- ✓ Mining Equipment
- ✓ Steel and Mechanical Engineering (Fabrication)
- ✓ Sewer and Water Reticulation
- ✓ Construction
- ✓ Shipbuilding
- ✓ Industrial Machinery & Spare Parts
- ✓ Lubrication and Adhesives

- ✓ PVF – Pipes, Valves, Fasteners (PTFE Bolts and nuts), Flanges and fittings
- ✓ Power Transmission, Electrical and Distribution Equipment
- ✓ Lifting, Drilling and Rigging Equipment
- ✓ Capital Equipment and Related Spare Parts
- ✓ Instrumentation, Automation and Control Equipment
- ✓ Lubricants and Chemical Solutions
- ✓ Industrial and Marine Filtration
- ✓ HVAC Solutions
- ✓ Workshop Tools and Equipment
- ✓ Structural Steel and General Engineering Requirements
- ✓ PPE Safety and Related Requirements
- ✓ Scaffolding Materials
- ✓ Industrial Steam Boilers & Pipes, Fluid Transfer, Power and Control Solutions
- ✓ Fuel Pumps and Gas Detection Measurement Equipment
- ✓ Explosion Proof Lighting, Ex-Ventilation Fans, Ex-Communication Devices, Ex Products for Hazardous areas and Confined Spaces / Tankers, Ex Alarm and Beacons - Breathing Devices - All types of Ex Proof Products.
- ✓ Fire Safety, Suppression & Fire Rescue Equipment
- ✓ Working at Heights Safety - Fall Protection - Confined Space Safety - Safety for Slip-Trip-Falls Hazards Equipment
- ✓ Emergency - Rescue and Evacuation Safety Equipment

We offer a synergistic portfolio of flagship brands with leading market positions in their respective product categories
