SQUARE FZ LLC

COMPANY PROFILE

Black Square FZ LLC was established with the aim of providing world-class industrial equipment and spare parts directly from the manufacturer to off-shore and near-shore clients. Our spectrum of products includes a comprehensive range of equipment for offshore, onshore, oil and gas, petrochemical, water, and sewer reticulation, mining, structural engineering, shipbuilding and power generation industry sectors. These include bolts and nuts, gaskets, pipes, valves, flanges, fittings, transmitters, major electrical equipment, marine equipment, structural steel, PPE and other industrial requisites.

Black Square FZ LLC possesses vast experience in Global Sourcing and Procurement of products for various field requirements. We also supply a wide range of FPSO, Production & Drilling related equipment and spares, as well as maintenance and shutdown supplies common in the marine and offshore environment.

Partnership is one of the most crucial aspects for a successful business relationship, which is why we strive to get our products directly from manufacturers across the globe. We are strategically located in Dubai, United Arab Emirates and this gives us easy access to manufacturers across the globe and also markets we serve in Africa and the Middle East region.

## EXCELLENCE | QUALITY | TRUST

Owing to our timely response within 12-24 hours coupled with an extensive experience in supplying industrial equipment, we have earned a proven track record of satisfied clientele across the globe. Our extensive resources ensure that all the needs of our clients are met in the shortest span of time.

## EXPLORING THE POTENTIAL

Black Square FZ LLC provides industrial equipment and spare parts directly from the supplier to you. We operate across the globe with a quick response time through an efficient customer-support centre that strives to get back to your query within 24 hours.

## OUR PRODUCTS

We provide a wide range of industrial equipment and spare parts for oil and gas, mining, power generation and infrastructural projects operating across the African continent.

We strive to cater to all the needs of our customers in a professional way, maintaining highest standards of service and quality.

We have supplied products to end users such as Modec, Total, Shell, Schlumberger, Isuzu East Africa, Exallo, Yinson, ENI, Baker Hughes, Tullow Oil.

### 1. FASTENERS, BOLTS & NUTS

At Black Square FZ LLC, we supply a comprehensive range of high-strength fasteners, bolts, and nuts that are essential across various industrial sectors, especially in the oil and gas, petrochemical, structural engineering, and marine industries.

Our fasteners meet stringent quality standards, ensuring durability, reliability, and optimal performance even in the most demanding conditions. Coatings include hot dip galvanizing, zinc plate, and Xylan.

#### Our Bolt Types Include:

**Stud Bolts:** Widely used in flange connections, particularly in high-pressure applications.

**Hex Bolts:** Ideal for general-purpose fastening, offering strong holding power and ease of installation.

**Machine Bolts:** Suitable for heavy-duty applications, providing secure fastening for machinery and equipment.

**U-Bolts:** Used for securing pipes, tubes, and other cylindrical objects, often in structural applications.

## 2. BITUMEN & PETROCHEMICALS

Black Square FZ LLC has established strategic partnerships with some of the world's largest manufacturers and producers of bitumen and petrochemicals, ensuring top-quality products for your industrial needs. We supply a wide range of bitumen grades and petrochemical products for various applications, particularly in the construction, road surfacing, and industrial manufacturing sectors.

### Our Product Range Includes:

**Bitumen AC 20:** Used for asphalt pavement construction and road surfacing.

**Bitumen 50/70:** Suitable for road construction, providing durability in various climates.

**Bitumen 80/100:** Ideal for hot climates, commonly used in paving applications.

**Bitumen AC 40:** Designed for heavy-duty applications, offering strength and flexibility.

### Petrochemicals:

**Caustic Soda:** Used in chemical manufacturing, cleaning, and water treatment processes.

**Petroleum Jelly:** Commonly used in cosmetics, pharmaceuticals, and lubrication.

**White Spirit:** A versatile solvent used in paints, coatings, and cleaning applications.

## 3. GASKETS & SEALANTS

At Black Square FZ LLC, we supply high-quality gaskets and sealants designed to ensure reliable, leak-proof performance in industrial systems. Our gaskets are built to withstand extreme temperatures, pressures, and corrosive environments, making them ideal for oil and gas, petrochemical, and marine sectors.

**Gaskets:** We offer Envelope Gaskets, Ring-Type Joint (RTJ) Gaskets, Kammprofile Gaskets, and Spiral Wound Gaskets,

**Sealants:** Our industrial sealants provide excellent adhesion and long-lasting protection, ensuring moisture control and secure bonding in demanding environments.

**Brands:** Klinger, Flexitalic, Eagle Burgmann, Freudenberg Sealing Technologies

## 4. PIPES, VALVES & FITTINGS

At Black Square FZ LLC, we supply high-quality pipes, valves, and fittings that are essential for oil and gas, structural, and mechanical projects. Our range of industrial valves ensures precise control and secure flow management in various applications, from high-pressure systems to corrosive environments.

Our selection of Valves includes Butterfly Valves, Ball Valves, Gate Valves, Globe Valves, Control Valves, Check Valves, Plug Valves.

Our pipes and fittings are manufactured to withstand harsh industrial conditions, ensuring long-lasting performance and reliability.

**Brands:** Valresa, Emerson Virgo, Sun Korea, Neway, KVC UK, Bray

## 5. TRANSMITTERS

At Black Square FZ LLC, we supply high-precision industrial transmitters that are essential for accurate monitoring and control in oil and gas projects. These transmitters are designed to provide reliable and durable readings, ensuring safe and efficient system operation.

### Our Range Includes:

**Gauge Pressure Transmitters:** Ideal for measuring pressure relative to atmospheric pressure.

**Differential Pressure Transmitters:** Used for monitoring the pressure difference between two points in a system.

**Absolute Pressure Transmitters:** Measure pressure relative to a perfect vacuum.

**Continuous Level Measurement Transmitters:** Track and monitor fluid levels, ensuring seamless operations in storage tanks and other applications.

**Brands:** Emerson Rosemount, Sika Germany, Siemens, Yokogawa, Endress+Hauser, Rockwell Automartin

## 6. SAFETY EQUIPMENT

At Black Square FZ LLC, we offer a comprehensive range of personal protective equipment (PPE) to ensure a safe and compliant working environment. From helmets, safety harnesses, gloves, to eye and respiratory protection, we have all your safety needs covered.

We are also proud distributors of KingGee, a renowned Australian brand specializing in durable and comfortable protective wear, across Africa. In addition to PPE, we supply essential spill control, rescue gear, lifesaving equipment, and firefighting products, ensuring your team is fully equipped for any safety requirement.

## 7. PUMPS & COMPRESSORS

Black Square FZ LLC supplies robust pumps and compressors tailored for offshore and near-shore projects. Our marine equipment and spare parts meet the highest industry standards, providing durability and efficiency.

### Our Range Includes:

**Air Compressors:** High-performance compressors ideal for powering various tools and machinery.

**Turbochargers:** Boost engine efficiency and power output, essential for marine and industrial applications.

**Pumps:** Suitable for water, oil, and fuel transfer, ensuring optimal fluid management.

**Brands:** LEWA, Tapflo, Wilden, Wartsila, Sand Piper, Ariel USA, EGS, Fams Engineering

## 8. INDUSTRIAL & HYDRAULIC HOSES

At Black Square FZ LLC, we specialize in supplying industrial and hydraulic hoses that are vital for industrial manufacturing sectors. Our hoses are built to withstand extreme conditions, ensuring efficient fluid transfer and operational safety.

Our Collection Includes:

**PTFE Hoses:** High chemical resistance and durability.

**Oil & Steam Hoses:** Built for high-temperature and high-pressure applications.

**Water & Rubber Hoses:** Suitable for general-purpose fluid transfer.

**Specialty Hoses:** Designed for specific applications, including abrasion and chemical-resistant hoses.

**Brands:** Hydrasun, Nakajima, Protec, Actron Sealrite, Parker, Gates Todo

## 9. LUBRICANTS & ADHESIVES

At Black Square FZ LLC, we supply high-quality adhesives, sealants, lubricants, and grease essential for maintaining equipment integrity and operational efficiency.

**Adhesives & Sealants:** Designed for strong bonding and waterproofing, ensuring durability and preventing moisture damage in industrial applications.

**Lubricants & Grease:** We offer high-viscosity lubricants and grease that meet strict quality control standards, ensuring smooth operation and reducing wear and tear on machinery.

**Drilling Fluids:** Xylene, Butyl Glycol, Texanol

**Lubricants for Oil & Gas:** Shell, Omala, Tellus, Rimula, Mobil Jet Oil, JetLube, Chemola, Morlina, Sadus
